(feat. Chris Willis)

Fergie)

All the things I know right now
If I only knew back then, there's no gettin' over
There's no gettin' over, there's just no gettin' over you

(Chris Willis)

Wish I could spin my world into reverse
Just to have you back again, there's no gettin' over
There's no gettin' over, there's just no gettin' over you,
no no

(LMFAO)

Bring it back
Hey, Hey I can't forget you baby,
I think about you everyday
I tried to masquerade the pain
That's why I'm next to the booth
D-d-d-dancin' to the groove
Bu-but there is no, there is no
Gettin' over you
Baby it feels so right
To dance to the beat of the night
The heat between you and I
Fre-freak 'til the morning light
We like to live life fast
And pour them shots up in the glass
But there is no, there is no
Just no gettin' over you

I'mma party and party and party
And pa- and pa- and party
And party and party and
I'mma party and party and party

And pa- and pa- and...

(Fergie)

All the things I know right now
If I only knew back then, there's no gettin' over
There's no gettin' over, there's just no gettin' over you

(Chris Willis)

Wish I could spin my world into reverse
Just to have you back again, there's no gettin' over
There's no gettin' over, there's just no gettin' over you,
no, no

I'mma party and party and party
And pa- and pa- and party
And party and party and
I'mma party and party and party
And pa- and pa- and party
And party and party and
I'mma party and party and party

(Bring it back)

(Fergie)

People in the place
If you've ever fell in love
Then you know
Yeah you know what I'm talking about
There's no getting over

I'mma party and party and party
And pa- and pa- and party
And party and party and
I'mma party and party and party
And pa- and pa- and party
And party and party
There's just no gettin' over you
