[Fergie]

All the things I know right now  
If I only knew back then  
There's no gettin' over  
No gettin over  
There's just no getting over you.

[Chris Willis]

Wish I could spin my world into reverse, just to have  
you back again  
There's no getting over  
There's no gettin over  
There's just no getting over you (you)!

[LMFAO]

We're back  
Hey hey I cant forget you baby  
I think about you everyday  
I tried to masccarate the pain  
Thats why im next on the booth  
D-d-d dance to the groove  
There is no there is no getting over you.  
Baby it feels so right  
To dance to the beat up night  
The heat between you and I retreat to the morning light  
We like to live like class  
And pour them shots up in the glass  
But there is no,there is no getting over you.  
I'm a party, and party and party and party...  
And party and party and party...  
I'm a party, and party and party and party...  
And party and party and party...
