

## David Guetta "I Can Only Imagine"

Visit "[I Can Only Imagine](#)" on MotoLyrics.com

Where you've been  
Where you've been all my life  
Girl Your Glistening  
The way you look in that light  
It's obvious  
That I want something from you  
And you know what  
What I wanna do, do, do

(Chorus)

Everytime, it would bring me to life  
I can only imagine, only imagine what it'd be like  
Oh, everytime, it would bring me to life  
I can only imagine, only imagine what it'd be like  
What it'd be like, what it'd be like,like,like  
What it'd be like,like,like,like,like...

Saw you from afar  
While i say "what's up"

You can tell me your name, where we're waking up  
They call me, Tunechi, I'm good, I'm gucci  
Now you can kiss old ring goodbye, smooches  
You're a beast, you're a beauty  
Now I think someone done gave cupid a ozzy,shoot me  
You're a firework, lighting in the dark  
So let's turn off the lights  
And give me the spark

(Chorus)

Everytime, it would bring me to life  
I can only imagine, only imagine what it'd be like  
Oh, everytime, it would bring me to life  
I can only imagine, only imagine what it'd be like  
What it'd be like, what it'd be like,like,like  
What it'd be like,like,like,like,like...

I want your love  
Or touch please  
Want You To(It Would Bring Me to Liiiiiiiiiiiiiiiiife if You  
Kiss Me)  
Yeah Kiss Me Girl
