Ooooh. Yeah.

I got a feeling that you 'bout to get it  
Cause baby I'm killing this dress, boy get with it  
Tonight I ain't playing no more, boy I'm staying over  
If you're ready babe, let me know

But don't you rev me up, babe if you ain't ready to go  
Don't be ticking on my bomb if you ain't 'bout to blow  
I'm all in it like a playing card, you're my uno  
So let's go, whoooo.

Chorus (X2)

Cause I'm a machine, baby  
And you got the keys, baby  
I'm a machine, baby  
And I'm unstoppable!

Male Voice:

I want your body baby.  
I want your body baby.  
I wanna tear you apart and ???????

I'm like an engine baby, boy I'm running  
And you got a target on your body, I'm gunning  
Cause I got a weapon right here, ain't no guessing  
around here  
Cause I'm lethal babe, ooh ooh.

So don't you touch me right there, if you ain't ready to  
rock  
Boy I'm counting on you to hold me like the hands on a  
clock  
Want you loving me harder than this beat making  
knocks.  
So let's go, whoooo

Chorus (X1)

Male Voice: (X3)

I want your body baby.  
I want your body baby.

I wanna tear you (it?) apart and ???????

Chorus (X1)

And I'll take you where you wanna go!
