Just a little more love, just a little more peace  
It's all it takes to live a dream  
We're walking hand in hand, you've got to understand  
And one day soon, we'll live in harmony

Just a little more love, just a little more peace  
It's all it takes to live a dream  
We're walking hand in hand, you've got to understand  
And one day soon, we'll live in harmony

Just a little more love, just a little more peace  
It's all it takes to live a dream  
We're walking hand in hand, you've got to understand  
And one day soon, we'll live in harmony

Just a little more love, just a little more peace  
It's all it takes to live a dream  
We're walking hand in hand, you've got to understand  
And one day soon, we'll live in harmony

Just a little more love, just a little more peace  
It's all it takes to live a dream  
We're walking hand in hand, you've got to understand  
And one day soon, we'll live in harmony

Just a little more love, just a little more peace  
It's all it takes to live a dream  
We're walking hand in hand, you've got to understand  
And one day soon, we'll live in harmony

Just a little more love, just a little more peace  
It's all it takes to live a dream  
We're walking hand in hand, you've got to understand  
And one day soon, we'll live in harmony

Just a little more love  
Just a little more love  
Just a little more love
