And now they tell me I'm a bad boy
All the time they look at me and mad boy
I just like put my hands up in the air
I want a bad girl dancing over there

Looking, look up on the dance floor
She's amazing, on the dance floor
When she moves God I want more
Keep it going girl cause you're the best star
I gotta stay
Go little bad girl, little bad girl [X3]

Tell me I'm a bad boy,
All the time you look at me and mad boy
I just like put my hands up in the air
I want a bad girl dancing over there

Looking hot ass from the left to the right
Moving in dance every time all night
I wanna see you move to the left all night
You can do it there if you want it alright

Looking, look up on the dance floor
She's amazing, on the dance floor

When she moves God I want more
Keep it going girl cause you're the best star
I gotta stay
Go little bad girl, little bad girl [X3]

And now they tell me I'm a bad boy
All the time they look at me and mad boy
I just like put my hands up in the air(?)
I want a bad girl dancing over there(?)

Shaking her ass from the left to the right
Moving in dance every time all night
I wanna see you move to the left all night
We can do it there if you want it alright

Looking, look up on the dance floor
She's amazing, on the dance floor

When she moves God I want more
Keep it going girl cause you're the best star
I gotta stay
Go little bad girl, little bad girl [X4]
