I feel so close to you right now  
It's a force field  
I wear my heart upon my sleeve, like a big deal  
Your love pours down on me, surround me like a  
waterfall  
And there's no stopping us right now  
I feel so close to you right now

I feel so close to you right now  
It's a force field  
I wear my heart upon my sleeve, like a big deal  
Your love pours down on me, surround me like a  
waterfall  
And there's no stopping us right now  
I feel so close to you right now

And there's no stopping us right now

And there's no stopping us right now

And there's no stopping us right now

I feel so close to you right now
