(feat. Will.I.Am, Apl.De.Ap)

Feel that heat
Risin' hard
Hear that beat
Turn it up
They be movin', that's what's up
They be, they be on the cup
On the cup, do that dance,
got me lookin' in a trance
Just like fire, Russian dance
Someone call the ambulance

I like it, you like it, we like futuristic
Just ride it, don't fight it
Get down to the music
Don't stop it, can't rock it
It's coming like a bullet
It's burnin' like fire
So go ahead and lose it

Turn it up
Break it down
Shake it up
Mix it now
D A V I D technique for the dance floor
Will I - is a work precision
I be cuttin' right concision
Guetta ghetto for the dance floor

The G the you the T the T the A the AA, we all play
We be we be, ro-ro-ro-rockin this sh-sh-sh- right every
day
Feel the sound powerful
Mega broads on overload
Electric city pumpin' on the dance floor
