i walk in,
you turn your head,
just one look boy,
and observe,
you see me across the floor,
now you're looking like,
you want more

no i dont need a fortune teller,
i can share my proficy
no i dont need a fortune teller,
to predict that you want me

cause i can read your mind,
i can read your mind,
i can read your mind,
i, i, i!

cause i can read your mind,
i can read your mind,
i can read your mind,
i, i, i!

i know you wanna love me,
you think im so sexy,
you wanna hold me,
you think im so sexy,
you wanna love me,
you think im so sexy
you wanna hold me,
you think im so sexy

you look down,
at my high heels,
when we dance boy,
i can see,
how you want me,
in your mind,
you undress me,
all the time

no i dont need a fortune teller,

i can share my proficy
no i dont need a fortune teller,
to predict that you want me

i can tell what you want,
what you want, what you want,
i can tell what you want,

i can tell what you want,
what you want, what you want,
i can tell what you want, oh oh

cause i can read your mind,
i can read your mind,
i can read your mind,
i, i, i!

cause i can read your mind,
i can read your mind,
i can read your mind,
i, i, i!

i know you wanna love me,
you think im so sexy,
you wanna hold me,
you think im so sexy,
you wanna love me,
you think im so sexy
you wanna hold me,
you think im so sexy

your body wanna love me,
you think im so sexy,
you wanna hold me,
you think im so sexy,
you wanna love me,
you think im so sexy,
you wanna hold me,
you think im so sexy

you wanna love me,
you think im so sexy,
you wanna hold me,
you think im so sexy.
