

# David Guetta "Repeat"

Visit "[Repeat](#)" on MotoLyrics.com

I can see your mouth move  
But I don't hear the words  
And while you dig yourself a hole  
You're burying me in the blur  
I can taste the fake, the shame  
I've heard this story before  
And while you dig yourself a hole  
It's the same s\*\*t, different girl

When I was building a home, you made a bed of your  
own, or perfectly the life of three  
But now your cover is blown, you get to be on your own,  
and find another stupid girl like me

So go out and party, cuz I'm just getting started  
And I'm dancing to a brand new beat  
It gets stuck on repeat, repeat, repeat  
Gets stuck on repeat, repeat, repeat

So go out and party, like you're not broken-hearted  
Cuz you're now one just mistake on my beat  
It gets stuck on repeat, repeat, repeat  
Gets stuck on repeat, repeat, repeat

I wanna know, was I the one?  
Or just the chick on the side  
I gave it all, put down my walls  
You dare I didn't try  
But you won't stop, stop telling me what, what I want to  
know  
I'm ejecting the sign of you deleting the thought of you  
record this, or what you may call

When I was building a home, you made a bed of your  
own, or perfectly the life of three  
But now your cover is blown, you get to be on your own,  
and find another stupid girl like me

So go out and party, cuz I'm just getting started  
And I'm dancing to a brand new beat  
It gets stuck on repeat, repeat, repeat  
Gets stuck on repeat, repeat, repeat

So go out and party, like you're not broken-hearted  
Cuz you're now one just mistake on my beat  
It gets stuck on repeat, repeat, repeat  
Gets stuck on repeat, repeat, repeat
