A shot in the dark  
A past lost in space  
Where do I start?  
The past and the chase?  
You hunted me down  
Like a wolf, a predator  
I felt like a deer in love lights

You loved me and I froze in time  
Hungry for that flesh of mine  
But I can't compete with the she wolf, who has brought  
me to my knees  
What do you see in those yellow eyes  
Cause I'm falling to pieces

I'm falling to pieces  
I'm falling to pieces  
I'm falling to pieces  
Falling to pieces

[beat break]

Did she lie and wait  
Was I bait to pull you in  
The thrill of the kill  
You feel, as a sin  
Lay with the wolves  
Alone, it seems  
I thought I was part of you

You loved me and I froze in time  
Hungry for that flesh of mine  
But I can't compete with the she wolf, who has brought  
me to my knees  
What do you see in those yellow eyes  
Cause i'm falling to pieces

I'm falling to pieces  
I'm falling to pieces  
I'm falling to pieces  
Falling to pieces

[beat break]

I'm falling to pieces

I'm falling to pieces

I'm falling to pieces

Falling to pieces
