Feat Nicky Romero & Ne-Yo
I close my eyes, and there you are
I open my eyes, and there you are again
I try to eat, the food don't taste the same
It ain't my fault, but still I take the blame
You, you, you
In my mind I already know
You, you, you
But my heart don't wanna let it go

I don't wanna think about you
But I can't stop if I wanted to
I don't wanna think about you
But I can't stop if I wanted to
I don't wanna think about you
But I can't stop if I wanted to
I don't wanna think about you
But I can't stop if I wanted to
I don't wanna think about you
But I can't stop if I wanted to
All I do is think about you
But I can't stop if I wanted to
All I do is think about you
But I can't stop

I close my eyes, and there you are
I open my eyes, and there you are again
I try to sleep, but dreams just ain't the same
It ain't my fault, but still I take the blame
You, you, you
In my mind I gotta face it
You, you, you
But my heart is badly aching

I don't wanna think about you
But I can't stop if I wanted to
I don't wanna think about you
But I can't stop if I wanted to
I don't wanna think about you
But I can't stop if I wanted to
I don't wanna think about you

But I can't stop if I wanted to
I don't wanna think about you
But I can't stop if I wanted to
All I do is think about you
But I can't stop if I wanted to
All I do is think about you
But I can't stop.
