Intro

I spy a girl with a book in hand
Playing games with her body to forget about a man
I spy a man with a book in hand
He's abusin everybody would agree that he can

Is it working?
Is it working for you?
Is it worth it?
Hide the eyes from the truth

I spy a girl with a falling man
Working nights, sleeping days to forget about the past
I spy a man with a twisted plan
Playing love with his body to escape the pain

Is it working?
Is it working for you?
Wooo is it worth it?
Hide the eyes from the truth

Maybe time, can
Fill the empty heart inside
Maybe time, can
Wipe the tears away
Maybe time echo Fill the empty heart inside
Maybe time (maybe time) can,
Wipe the tears away
