[Verse 1 - Nicki Minaj]

Doctor, doctor, need you bad, hold me babe  
Doctor, doctor, where ya at? Give me something  
I need your love, I need your love, I need your loving  
You got that kind of medicine that keeps me going

My body needs a hero  
Come and save me  
Something tells me you know how to save me  
I've been feeling real low  
Oh, I need you come and rescue me

[Chorus - Nicki Minaj]

Make me come alive, come on and turn me on  
Touch me, save my life, come on and turn me on  
I'm too young to die, come on and turn me on  
Turn me on, turn me on, turn me on, turn me on(2x)

[Verse 2 - Nicki Minaj]

Boy, I'm achin' , make it right  
My temperature is super high  
If I scream, if I cry  
It's only cause I feel alive

My body needs a hero  
Come and save me

Something tells me you know how to save me  
I've been feeling real low  
Oh, I need you come and rescue me

[Chorus - Nicki Minaj]

Make me come alive, come on and turn me on  
Touch me, save my life, come on and turn me on  
I'm too young to die, come on and turn me on  
Turn me on, turn me on, turn me on, turn me on

[Bridge - Nicki Minaj]

You've got my life in the palm of your hands  
Come save me now  
I know you can(I know you can)

Don't let me die young  
I just want you to father my young  
I just want you to be my doctor, we can get it crackin'  
chiropractor, I, I, I, I

I know you can save me  
And make me feel alive

[Chorus - Nicki Minaj]

Make me come alive, come on and turn me on  
Touch me, save my life, come on and turn me on  
I'm too young to die, come on and turn me on  
Turn me on, turn me on, turn me on, turn me on
