Inspite of all the consequence
Inspite of all my pride
Inspite of little things you said
That hurt me deep inside

I believe your love
I believe your love
Like the air in the morning
I salute your love
I still need your love
And I can't get away

Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you

Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you

The lights of all you see
You could have overcome all this
And I still can't get over you

Are you someone I'll forever miss
I believed your love I can feel your love
And that's all that I wanted
I still need your love I salute your love
And I can't get away

Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you

Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you

And there's the dark, begins to rain
The sound is heavy on me

Baby when the lights go out
I need you

Under the spell I wanna be under your touch
Under the spell I wanna be under the rush

Baby when the lights go out

Baby when the lights go out

Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you

Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you
