I can't win, I can't reign  
I will never win this game, without you, without you  
I am lost, I am vain  
I will never be the same, without you, without you

I will run , I would fly  
I will never make it by, without you, without you  
I can't rest, I can't find  
All I need is you and I, without you, without you

Oh, oh, oh you, you, you  
Without you  
Oh, oh, oh you, you , you  
Without you

Can't erase, so I'll take blame

But I can't except that we're estranged, without you,  
without you  
I can't quit now, this can't be right  
I can't take one more sleepless night, without you,  
without you

I will soar, I would climb  
If you're not here I'm paralysed, without you, without  
you  
I can't look, I'm so blind  
I lost my heart, I lost my mind, without you, without you

You, you, you  
Without you  
You, you , you  
Without you

I am lost, I am vain  
I will never be the same, without you, without you  
Without you
