Watcha think I was gonna do
pack my things and leave without you
How many times I've gotted proove I'm not leaving
without you
Watcha think I was gonna do
pack my things and leave without you
How many times I've gotted proove I'm not leaving
without you
I'm not going anywhere (x2) Baby
Without you, without you, without you, without you..

(What you gonna do)

You've got me...?
stab my face to find...?
if you wait for me
then look behind you
I'm gonna find you
Did you .. want to
pack my thing I won't to leave without you
Just how many times am I gonna hate you

Watcha think I was gonna do
pack my things and leave without you
How many times I've gotted proove I'm not leaving
without you

Watcha think I was gonna do
pack my things and leave without you
How many times I've gotted proove I'm not leaving
without you

You ... face subscribe to
And I can fake..

... find you
Did you really thing that I was going to
pack my things and leave without you
whatch me fly...
keep on keep on keep on proving that

Watcha think I was gonna do

pack my things and leave without you
How many times I've gotted proove I'm not leaving
without you
Yeah, yeah, Yeah

I'm not goin' anywhere (x2) Baby
Without you, Without you, Without you, Without you
