You are the music  
You are the reason I believe  
You are the seasons  
You are the blessings I receive

You are the answer  
Lighting the fires of passion burning deep  
You are inspiration  
Running like a million rivers over me

And you take me  
And you take me  
To a place I've never been

And you take me  
And you take me  
And you take me  
To a place I've never been

Oh, you are the music, yeah yeah  
Woah, you are the reason I believe

Woah, you are the music  
Woah, you are the reason I believe

You are the reason, yeah  
You are the reason, yeah  
You [Incomprehensible] hear the music, yeah  
You are my soul, yeah yeah yeah

You, you, you, you

And you take me  
And you take me  
And you take me  
And you take me  
And you take me  
To a place I've never been

And you take me  
And you take me  
And you take me

To a place I've never been

Oh, you take me

Take me, take me, take me, take me

To a place I've never been, no
