Don't say nothing, love in the fall  
God said, "Child, don't you miss of it all"

The Joan of Arc, kiss in the dark  
'Cause she's a fire stone catching all, watch her burn  
So, so pretty, cutting her hair  
Dark star spirit now she's up in the gutter

Kills her feeling, keep us in here  
Come out saint but she called it a healing  
Don't say nothing, love in the fall  
God said, "Child, don't you miss of it all"

The Joan of Arc kiss in the dark  
'Cause she's a fire stone catching all, watch her burn  
The Joan of Arc, it's such a shock  
Watching her getting out, let it out  
Lips are burning, the Joan of Arc  
The Joan of Arc

White heart city, jungle in here  
Halo spinning, now she's lost in the mirror  
Heart spits ripping, bruising the air  
Strikes up busy bodies suffer the fever

All saints come on, you loving the fall  
Go my child, look away from it all

The Joan of Arc kiss in the dark  
'Cause she's a fire stone catching all, watch her burn  
The Joan of Arc, it's such a shock  
Watching her getting out, let it out  
Lips are burning, the Joan of Arc  
The Joan of Arc, the Joan of Arc  
The Joan of Arc, the Joan of Arc

The Joan of Arc kiss in the dark  
'Cause she's a fire stone catching all, watch her burn  
The Joan of Arc, it's such a shock  
Watching her getting out, let it out  
Lips are burning, the Joan of Arc  
The Joan of Arc, the Joan of Arc

The Joan of Arc, the Joan of Arc
