Listening

After all the years I would not hear, I'm listening
As I'm lookin' into eyes so clear and deep,
I see, the story comin' together
Chapters end and start again...

Listening

To the only one who understands the man I am
With love enough to let go of the past
I ask, and all my wrongs are forgiven
I can do the same for you

If you

Listen to my eyes
Listen to your heart
Never let the world's noise
Get louder than your own voice

Listen to my touch

Then touch the way you feel
You only hear
What is real

By listening

Like the mountain lets the ocean slowly move him
Or the way that your body's moving mine
In time, this dance will go on forever
Without a sound, we turn around...

Listening

As I'm lookin' into eyes so clear and deep,
