There's velvet in her very soul.
It tumbles down and it pulls me under.
When I'm invaded, I just take the flow
Cos there's no use standing round to wonder.
Now I'm not gonna fight the way we are, I'm up for
adventure.
I let myself be strong along if she loves me on and on.

She does a thing to me, I have a guarantee, she could
never lose.
She seems to hold the key to doors inside of me with a
better view.
She's all intensity with no anomaly, how could I refuse?
If love's a mystery, then there is a certainty, she has all
the clues!

She can get inside my very head.
I used to mind, now it doesn't matter.
I'm like a house that has a room to let.
She's moving in, now she's takin' over.
I'm so excited with the way we are, it's such an
adventure.
I know that I can not go wrong if she loves me on and
on.

She does a thing to me, I have a guarantee, she could
never lose.
She seems to hold the key to doors inside of me with a
better view.
She's all intensity with no anomaly, how could I refuse?
If love's a mystery, then there is a certainty, she has all
the clues!

I'm in the undertow, I'm swept along, I'm really in the
mood.
I like to feel the overflow and to sea of things that only
she can do.
I'm drifting on a wind of change cause this love affair

Is heaven not a hell, don't ask me if I think that I believe
in her.

She does a thing to me, I have a guarantee, she could
never lose.

She seems to hold the key to doors inside of me with a
better view.

She's all intensity with no anomaly, how could I refuse?
If love's a mystery, then there is a certainty, she has all
the clues!
