Black silk on satin skin
It's late at night and it's hot as sin
We're gonna make it
Get hotter yet
And a rockin' chair
I'm gonna show you why I put it there
To build a rhythm
You won't forget
We got the chemistry to make the fantasy become
reality
You've got the attitude to put me in the mood
Ooh la la la

I said (ooh la la)
Baby do that (ooh la la)
I really love your (ooh la la)
Do whatever you want with me
Oh I want it (ooh la la)
A little harder (ooh la la)
Ahh easy now (ooh la la)
I'm coming closer to ecstasy

One time whet my appetite
I could eat a lot more tonight
And you can feed me
Like no one else
We're asleep from dawn 'til noon
Wakin' up in a double spoon
A night of turn on
From this carousal
We got the chemistry to make the fantasy become
reality
You've got the attitude to put me in the mood
Ooh la la la

I said (ooh la la)
Baby do that (ooh la la)
I really love your (ooh la la)
Do whatever you want with me
Oh I want it (ooh la la)
A little harder (ooh la la)
Yeah easy now (ooh la la)

I coming closer to ecstasy

We got the chemistry to make the fantasy become
reality

You've got the attitude to put me in the mood

Ooh la la la

I said (ooh la la)

Baby do that (ooh la la)

I really love your (ooh la la)

Do whatever you want with me

Oh she cries (ooh la la)

A little harder (ooh la la)

Ooh easy now (ooh la la)

Now I'm feeling such ecstasy

Oh She cries (ooh la la)

You know it feels so good (ooh la la)

You know it feels so right girl

(Chorus repeats and fades out)
