(David Hallyday/Å%otienne Roda-Gil)  
adaptation anglaise Lisa-Catherine Cohen

I touched you gently in your sleep, last night  
And held you to me, in the blue dawn light.  
I never knew there was a place this deep  
Or that you would reach that place in me.

If I trust in my soul, I can show you my heart  
Give all I am to you, to have and to hold.  
Trust in your soul and show me your heart.  
Give all you are to me, to have and to hold.

I must have wished upon a million stars.  
Now I know for certain, one was ours.  
I've been holding back for long enough.  
I'm braver than I am afraid of love.

'Cause I trust in my soul, I can show you my heart  
Give all I am to you, to have and to hold.  
Trust in your soul and show me your heart.  
Give all you are to me, to have and to hold.

When I look at you, the light I see  
Is my own spirit shining back at me  
And I am willing to go anywhere.  
I can endure, if I am sure that I will find you there.

So, trust in my soul and show me your heart.  
Give all you are to me, to have and to hold.  
Trust in your soul, I'll show you my heart.  
Give all I am to you, to have and to hold.

(Guitare solo)

Love, here is my soul, I give it all to you, to have and to hold.  
We are one soul and we are one heart.  
We have forever, love, to have and to hold.  
To have and to hold, to have and to hold, to have and to hold.
