Baby, baby - this is so intense
How you make my senses burn
I love to watch your body writhe
I love the yearning in your eyes
I wanna tease you until you scream
Make every dream come real!
I wanna find the secret places
That show me all you feel

I wanna take my time
I wanna take my time

Let go of every inhibition
It's a roller coaster ride!
I wanna give you my permission
To show your crazy side!

Baby, take your time
I wanna take my time

Just like wine improves with age
We'll get better through each phrase of this
I have never known a kiss
With the power to make history
Don't let this ever end
Let's do it once again and again and again, girl
Somehow I don't ever fire
The fire reignites
Baby, baby - it's alright
To show your heart tonight!
