

David Hasselhoff "All The Right Moves"

Visit "[All The Right Moves](#)" on MotoLyrics.com

Don't wanna spend another year facing the same wall
Don't wanna play another game bouncin' the same ball
Don't wanna wait for that lucky break
Got a feelin' someday I'm gonna make
Yeah, all the right moves

A lot of people that I love are gonna be a left behind
I know this gonna be some lonely moments but I don't
mind
I'll take a chance, it's a winner takes
In the end a winner always makes
Yeah, all the right moves

Late at night I'm still awake
I feel it come but I just can't wait
So many dreams that could all come true
Oh baby, if you only knew
Sometimes it feels like I just can't lose
I know I'm gonna make all the right moves

I see the future in your eyes
Yes, I can see that day
I'd like to say I'm gonna miss this place but I just don't
feel that way
I made a promise that I can't break
I told myself someday I'm gonna make
Yeah, all the right moves

Late at night I'm still awake
I feel it come but I just can't wait
So many dreams that could all come true
Oh baby, if you only knew
Sometimes it feels like I just can't lose
I know I'm gonna make all the right moves
