Two people who met
From two different worlds,
Amore amore
An italian boy and a rich little girl,
Amore amore
They've all been saying it loud and clear
I'm just no good for you
But I say - amore amore

Elisabeth,
With every breath I will fight for you
My destiny is with you girl
Elisabeth,
You are the best and I'm right for you
A little town with little minds
We'll leave it all behind

Our life begins today
Amore amore

I'm fixing the phone
And I'm locking the door,
Amore amore
Nobody will hurt you
No not anymore,
Amore amore
Tomorrow we'll be far away
From cold hypocrisy
In sunny italy and amore amore
