Do you remember back in old l.a.

When everybody drove a Chevrolet

What ever happened to the boy next door

The sun tanned crew cut all-American male

Remember dancing at the high school hop

With everybody drinking soda pop

I didn't recognize the girl next door

With beat up sneakers and a pony tail

Beach baby beach baby give me your hand

Give me something that I can remember

Just like before we can walk by the shore in the
moonlight

Beach baby beach baby there on the sand

From July till the end of September

Surfing was fun we'd be out in the sun everyday

Beach baby, beach baby, beach baby, beach baby oh
oh oh

Beach baby, beach baby, beach baby, beach baby oh
oh oh

We couldn't wait for graduation day

We took the car and drove to san jose
That's were you told me that you'd wear my ring
I guess you don't remember anything

Beach baby beach baby give me your hand

Give me something than I can remember

Just like before we can walk by the shore in the
moonlight

Beach baby beach baby there on the sand

From July till the end of September

Surfing was fun we'd be out in the sun everyday

Beach baby, beach baby, beach baby, beach baby oh
oh oh

Beach baby, beach baby, beach baby, beach baby oh
oh oh

I never thought that it would end - when I was
everybody's friend

Long hot days - cool sea haze

Juke box plays - but now it's fading away

Beach baby beach baby give me your hand

Give me something than I can remember

Just like before we can walk by the shore in the
moonlight

Beach baby beach baby there on the sand

From July till the end of September

Surfing was fun we'd be out in the sun everyday

Beach baby, beach baby, beach baby, beach baby oh
oh oh

Beach baby, beach baby, beach baby, beach baby oh
oh oh
