You were a rose among my falls
You were the calm
In the eye of every storm
Now that you are gone I have no more tears to cry
We never had a chance to say goodbye

Oh, bless a brand-new angel
Heaven isn't all that far
Though time came to take you
You are still living in my heart
With our love that is never changing
Please, bless a brand-new angel

You were my refuge from the rain
And when you smile
You bring summer back again
I'll hold you here for ever in my mind
Until we meet someday near the silent time

Oh, bless a brand-new angel
Heaven isn't all that far
Though time came to take you
You are still living in my heart
With our love that is never changing
Please, bless a brand-new angel

Without you the sun will never shine
As bright
Your magic touch lighted up each corner of my life
With our love that is never changing
Please, bless a brand-new angel
Please, bless a brand-new angel ...
