Down in barbados, jamaica too  
It's partytime for me and you  
In guadaloupe and martinique  
And the dominican republic  
They're dancing limbo under  
Clear blue sky  
In the tropical paradise  
They're drinking rum in the hot  
Sunshine  
It's caribbean partytime

Oh oh oh oh oh oh oh it's  
Caribbean partytime  
Oh oh oh oh oh oh oh it's  
Caribbean partytime  
Oh oh oh oh oh oh oh it's  
Caribbean partytime  
Oh oh oh oh oh oh oh it's  
Caribbean partytime

Forget your troubles,

Forget your cares  
Calypso music's ringin'  
In your ears  
Down on the beach both night  
And day  
You can hear those  
Steel-bands play  
The pirateships go sailing by  
Under the caribbean sky  
The sea is green  
And the sky is blue  
It's partytime for me and you

Oh oh oh oh oh oh oh it's  
Caribbean partytime  
Oh oh oh oh oh oh oh it's  
Caribbean partytime ...
