Like a ship that's tossed out
On the ocean
We get caught up swimmin'
In the motion
Hearts were sailing, love was on
The right track
Got out so far that
We can't get back
But darlin we can't
Let our hopes go down
It's tough to find out were
There's solid ground

You've gotta reach out
Take hold of my hand
You've gotta reach out
Till you're safe on dry land
You've gotta hold on
Baby never give up
You've gotta reach out
When you're caught in the current of love

Keep your eye out, search for
The horizon
Life's a struggle,
Full of compromises

There'll be storms but we'll soon
See the sun shine
And I won't quit until I know
You're mine
If I can get you
In my arms tonight
We'll stay together
If you hold on tight

You've gotta reach out
Take hold of my hand
You've gotta reach out
Till you're safe on dry land
You've gotta hold on
Baby never give up

You've gotta reach out
When you're caught in the
Current of love

You've gotta reach out
Take hold of my hand
You've gotta reach out
Till you're safe on dry land
