Blue moon light feel so right
does take light for me and and my lover
dim the lights, lips like wine, feel so right for me and
my lover

Refr.

Dance Dance d'Amour, kissing the night tonight,
toujours
cause when the dance is all over, we do a sweet Bossa
Nova

Dance Cance d'Amour, wishing the night will last
toujours
cause when the dance is all over, we do a sweet Bossa
Nova

Don't you feel this is real, time stands still for me and
my lover
dim the light, lips like wine
feel so right for me and my lover

Refr.

Dance Dance d'Amour, kissing the night tonight,
toujours

cause when the dance is all over, we do a sweet Bossa
Nova

Dance Cance d'Amour, wishing the night will last
toujours
cause when the dance is all over, we do a sweet Bossa
Nova

tease me , please me, tell me, you be true
hold me in your arms, I love you, I love you

Refr.

Dance Dance d'Amour, kissing the night tonight,
toujours
cause when the dance is all over, we do a sweet Bossa
Nova

Dance Cance d'Amour, wishing the night will last
toujours
cause when the dance is all over, we do a sweet Bossa

Nova
