Blue moonlight
Feels so right
Doves take flight for me
And my lover
Dim the light
(I wanna shout about it)
Lips like wine
(Don't wanna live without it)
Feels so right
For me and my lover

Dance
dance d'amour
Kiss in the night tonight toujours
Cause when the dance is all over
We do a sweet bossanova

Dance
dance d'amour
Wishin'
Tonight would last toujours
Cause when the dance is all over
We do a sweet bossanova

Don't you feel
This is real
Time stands still
For me and my lover

Dance
dance d'amour
Kiss in the night tonight toujours
Cause when the dance is all over
We do a sweet bossanova

Tease me please me
Tell me you'll be true
Hold me in your arms
I love you
I love you

Dance

dance d'amour
Kiss in the night tonight toujours
Cause when the dance is all over
We do a sweet bossanova

Dance
dance d'amour
Wishin'
Tonight would last toujours
Cause when the dance is all over
We do a sweet bossanova
