Some people stand in that darkness  
afraid to step into the light,  
Some people need to have somebody  
with the edge of surrender insight,

Dont you worry, its going to be alright  
because im always ready,  
i wont let you out of my sight

I'll be there,  
I'll be ready,  
Never your fear,  
Now dont you fear,  
I'll be there,  
Forever and always im always here!

And as we all have the power,  
for sometimes its so hard to see,  
an instant distronger than reason,  
its just human nature to me

Dont you worry its going to be alright  
because im always ready,  
i wont let you out of my sight

I'll be there,  
I'll be ready,

Never your fear,  
Now dont you fear,  
I'll be there,  
Forever and always im always here!

(Instrumental break)

because im always ready,  
i wont let you out of my sight

Ooh

I'll be there,  
I'll be ready,

Never your fear,  
Now dont you fear,  
I'll be there,  
Forever and always im always here!

Forever and always im always here!
