Some people stand in darkness  
Afraid to step into the light.  
Some people need to help somebody  
When the edge of surrender is in sight.  
Don't you worry, it's gonna be all  
right.

'Cause I'm always ready,  
I won't let you out of my sight.  
I'll be ready--I'll be ready never you fear I'll be ready--  
forever and always  
I'm always here.  
In us we all have the power but some times its so hard  
to see and instinct is stronger then reason It's just  
human nature to me  
'Cause I'm always there,  
I won't let you out of my sight.  
I'll be there--never you fear  
I'll be there--forever and always  
I'm always here.
