Loving you keeps me alive,
Think again before you leave me.
His love cannot be as true,
As the love I offer you.

You're wasting time pretending
You belong to him.
Come to your senses.

Loving you keeps me alive,
I'll be in your heart forever.
And you'll be a part of me,
From now 'til eternity.
You've talked yourself into believing he's the one,
Such wild pretenses.

The first time I set eyes on you,
I knew I'd never be the same.
I never knew I'd get such pleasure whispering your
name.
If loving you keeps me alive,
Then how can leaving me be right?
Turn back and let me love you.
Stay with me and let us dance into the night.

You are the one,
The only one,
To make me see,
The empty life I lead.

You are the love,
The only love,
I'll ever need.

The first I set eyes on you,
I knew I'd never be the same.
I never knew I'd get such pleasure whispering your
name.
If loving you keeps me alive
Then how can leaving me be right?

Turn back and let me love you,
Stay with me and let us dance into the night!
