"Miracle Of Love"

All of my life, I believed that love was meant for fools
Colder than ice, only losers played
By golden rules
Then you touched me and you changed my life around
You have brought me back from lost to found
You turned me inside out and upside down...

Must be a miracle...
Must be a miracle of love...

I gave up hope
Love was something I would never see
End of my rope
Hanging by a thread, you rescued me
I can't tell you how you
You make me feel
You took my foolish dreams and made them real
You brought tenderness to a heart
A heart of steel...

Must be a miracle...
Must be a miracle of love...

It's impossible to believe
Someone like you could care for me
I can't conceive a stranger thing
Must be a miracle... and the miracle is you...

God only knows
Where I would be now if not for you
And I suppose
Sometimes happy endings do come true

Like an angel you were

Sent to me
I guess some things are just
Meant to me
I can't explain it, so it's my philosophy
Must be a miracle
And the miracle is you...

Do you believe ? , yes I believe...
In the miracle of love...
Ooo ooo...

It's wondrous, marvellous...
Just for us...
The miracle of love...
Yes I believe

It's a miracle
What a miracle...
Such a miracle...
And the miracle is you
You...

It's impossible to believe
Someone like you could care for me
Such a miracle
What a miracle,
And the miracle is you
You...

Yes I believe...
That the miracle is you...
