Pingu ...

Pingu ...

Ok everybody, this is the pingu prance
All everybody have to do the pingu dance
My name is pingu, come on dance to the beat
It's easy if you try just watch my feet
It's all, be happy and have some fun
Let's come to 10 and start with 1
1 2 3 4 5 6 7 8 9 10, let's go to 11
Stomp your feet and turn around
Reach for the sky, now touch the ground

To the pingu ...

To the pingu ...

(music)

Now made a little different go all the same
Just different bodies with different names
We all have mommys and we all have dads
Sometimes we're happy, sometimes we're sad
If you smile and dance with me
You'll be happy, just wait and see
Stomp your feet and turn around
Reach for the sky, now touch the ground

To the pingu ...
