What's going on in the city tonight
What's going on, what's going on
What's going on in the city tonight
What's going on in the city tonight
What's going on, what's going on

I don't know what has happened
But now it seems
As if you hadn't been here at all
As if you never touched that part of me

Day after day, my heart turned grey
I don't know what to do

Well it's a slow night in the city
I lost my love for you
It's a slow night in the city of love
Well it's a slow night in the city
I have to stay what's true
It's a slow night in the city of love

No matter what you told me
No matter what you tried to say

I leave on my own
One has somehow broken back in two

Day after day, my heart turned grey
I don't know what to do

Well it's a slow night in the city
I lost my love for you
It's a slow night in the city of love
Well it's a slow night in the city
I have to stay what's true
It's a slow night in the city of love

It's a lonely night - it's a lonely night
It's a lonely night - in the city of love

What's going on in the city tonight
What's going on in the city tonight

What's going on, what's going on
