Heart, hear my story it don't seem right
Lovers never try to talk it over
They just slowly pass in the night

Heart, how I miss her you know it's true
Heart, when I kissed her you broke in two
Days grow cold and lonely
Now the sun don't shine without you

Sunday dreaming
Leaves me feeling like the sun ain't far away
Sunday dreaming
Leaves me reeling
Then the day just fades away
Monday nights are cold with no one to hold
Sunday dreaming make believing love's gonna
Stay

Heart, was our meeting

It's cruel the fate
Heart, don't stop beating
It's not too late
Days are cold and lonely
Now your sunshine's got to break through

Sunday dreaming
Leaves me feeling like the sun ain't far away
Sunday dreaming
Leaves me reeling
Then the day just fades away
Monday nights are cold with no one to hold
No the sun don't shine without you

Sunday dreaming ...
