Dreaming of my love
And she's here tonight
What a sweet sensation
She's a dream creation

After just one dance
I pulled her closed to me
And I knew this feeling
Was meant to be
She stayed with me till the early morning
We felt the same from deep inside

Cause she's the girl forever
I've said goodbye to crying
When she's with me
I'm dying for all her love
Cause she's the girl forever
I'm never gonna leave her
And I will always please her
With all my love

Other girls I knew
Were only passing through
But I will love her
Till the end of time

Making love to her
Opens up my heart
Fills me like an ocean
She's my dream emotion
Fantasy come true
The lonely days have passed
All our kisses tell me
This love will last
She stayed with me till the early morning
We felt the same from deep inside

Cause she's the girl forever
I've said goodbye to crying
When she's with me
I'm dying for all her love
Cause she's the girl forever

I'm never gonna leave her
And I will always please her
With all my love

Night after night I see
How great a love can be
And now she's with me
Till the end of time

Cause she's the girl forever
I've said goodbye to crying
When she's with me
I'm dying for all her love
Cause she's the girl forever
I'm never gonna leave her
And I will always please her
With all my love

Cause she's the girl forever
I've said goodbye to crying
When she's with me
I'm dying for all her love
Cause she's the girl forever
I'm never gonna leave her
And I will always please her
With all my love
