This is the moment !
This is the day
When I send all my doubts and demons
On their way !

Every endeavor
I have made - ever -
Is coming into play.
Is here and now - today !

This is the moment,
This is the time,
When the momentum and the moment
Are in rhyme !

Give me this moment-
This precious chance-
I'll gather up my past
And make some sense at last !

This is the moment
When all I've done-
All of the dreaming,
Scheming and screaming
Become one !

This is the day-
See it sparkle and shine !-
When all I've lived for
Becomes mine !
For all these years,

I've faced the world alone,
And now the time has come
To prove to them
I've made it on my own !

This is the moment-
My final test-
Destiny beckoned,
I never reckoned
Second best !

I won't look down
I must not fall !
This is the moment,
The sweetest moment of them all !

This is the moment !
Damn all the odds !
This day, or never,
I'll sit forever
With the gods !

When I look back,
I will always recall,
Moment for moment,
This was the moment,
The greatest moment,
Of them all !
