You know I got to show you
Nobody else before you
Ever gave me such a beautiful feeling
A woman you touched my soul yea
Honey don't let go now
Hold on baby just a little bit tighter

Hold on
Just a little bit tighter now baby
I love you so much
And I can't let go

Hold on
Just a little bit tighter now baby

Love is so surprising
Opened up my eyes and
You reached out and ya took my hand
Baby you touched my soul now
Woman don't let go now
Hold on baby just a little bit tighter

C'mon girl
Hold on
Just a little bit tighter now baby
I love you so much
And I can't let go

Hold on
Just a little bit tighter now baby
Hold on (* just a little bit, just a little bit)
Hold on
Just a little bit tighter now baby

Hold on
Just a little bit tighter now baby
I love you so much
And I can't let go

Hold on
Just a little bit tighter now baby

Hold on (* just a little bit, just a little bit)
Hold on
Just a little bit tighter now baby

Just a little, just a little,
Just a little bit tighter now baby
(* tighter - tighter)
Just a little, just a little,
Just a little bit tighter now baby
(* tighter - tighter)

Hold on
Just a little bit tighter now baby
I love you so much
And I can't let go

Hold on
Just a little bit tighter now baby
Hold on (* just a little bit, just a little bit)
C'mon girl
Hold on
Just a little bit tighter now baby

Hold on, hold on,
Hold on just a little bit tighter
Hold on, hold on,
C'mon hold me just a little bit tighter

You know you touched my soul now
You know you touched my soul now
Such a beautiful feeling
