Well, I think I'm gettin' the message
I'm not deaf and I'm not blind
But the signals that I'm gettin'
They call me by surprise
It seems that you decided
To just get up and go
But if the reasons here
Are all so clear
There's one thing I got to know

Where was I ?
I wish I knew
You say it's all over
Baby, I'm confused
Well, wasn't that you in my bed
It must to been all in my head
When love finally said goodbye
Where was I ?

Well, I didn't hear the train a comin'
I didn't see the boat I missed
I didn't see the stop sign on the corner
Baby I didn't see this

Where was I ?
I wish I knew
You say it's all over
Baby, I'm confused
Well, wasn't that you in my bed
It must to been all in my head
When love finally said goodbye
Where was I ?

Where was I ?
I wish I knew
You say it's all over
Baby, I'm confused
Well, wasn't that you in my bed
It must to been all in my head
When love finally said goodbye
Where was I ?
