[Utterson]

You have your work
And nothing more !
You are possessed-
What is your demon ?

You've never been
This way before-
Where is the fire
You built your dream on ?

There's something strange,
There's something wrong
I see a change-
It's like when hope dies.

I who have known
You for so long,
I see the pain
In your eyes !

[Utterson]

There was a time
You lived your life,
And no one lived
The way that you did !
You had a plan,
You chose a wife,
You saw the world
As very few did !

You had it all-
The overall !-
You seemed to know
Just what to live for !

But now it seems,
You don't at all.
You have your work-
Nothing more ! ...

[Jekyll]

Have

I
Become-

My work
And nothing
More ?

I
Know
That's
Not

What
I'm
Living
For ! ...

[Emma]
Father you know
Henry won't just walk away.
The only way he knows
Is straight ahead !

[Sir Danvers]
Emma, you've not heard
A single word I've said !
My fear is, he's in over his head
He could lose control,
And that I dread

There has been talk
They say he's gone too far
He's locked himself away
In his own world.
Pursuing this insanity -!

[Emma]
It is his work !

[Sir Danvers]
It's more than work-
He is obsessed !
The man is driven !

[Emma]
Just give him time,
I ask no more.
His work's a crime
To be forgiven !

[Sir Danvers]

There's something strange.
Unless I'm blind !
I see a change
Of a bizarre kind !
[Emma]
There's not at all !

Don't be unkind
The problem's all
In your mind !

[Sir Danvers]
He has his work
And nothing more...
He is obsessed !
The man is driven !

[Emma]
Just give him time
I ask no more

[Sir Danvers]
He's chasing
Dreams
He'll never
Find

[Utterson]
This increasing
Isolation only adds
To your frustration
And it could endanger
Your career...

[Emma]
Just give him time,
I ask no more.
His work's a crime
To be forgiven !

[Sir Danvers]
He's chasing
Dreams
He'll never find !
I see a change
Of a bizarre kind
[Emma]
There's not at all !
Don't be unkind
Problem's all
In your mind !

[Emma]
Still I pray,
Every day,
Henry may
Find his way.
I pray he may
Find his way !

I will pray,
Every day,
Henry may
Find his way.
I pray
He may find
His way !
[Utterson]
Time to awaken
Before it's too
Late

[Utterson]
Before you
Forever
Determine
Your fate
What's you're
Living for

[Sir Danvers/Utterson]
Dear, I pray,
Every day,
Henry may
Find his way !
I pray he may
Find his way

I will pray,
Every day,
You two may
Find your way !
I pray
You may find
Your way
