Everybody please take my advice, I ain't gonna tell you  
nothin' wrong  
Everybody please take my advice, I ain't gonna tell you  
nothin' wrong  
Boy, don't let whiskey and them women make you  
brake up your happy home

Why you always sayin', "Boy, your woman ain't no  
good"  
Why you always sayin', "Boy, your woman ain't no  
good"  
You know a woman wants a man to 'tend to business,  
not to clown all over the neighborhood

Boy, I've been talkin' to you and talkin' but talkin' don't  
do no good  
Yes, I've been talkin' to you and talkin' but talkin' don't  
do no good  
Yes, you take my advice, buddy, if you just understood

Yeah, you work part-time, every two weeks you get your  
pay  
Yeah, you work part-time, every two weeks you get your  
pay  
Boy, why don't you stop drinkin', and throwin' your  
money away
