Go down sun, we don't care
We don't like sunshine, we drink moonshine here

Chorus:

Ain't we, baby, ain't we gonna have a time?
Now ain't we baby, we gonna have a good time
tonight?

We've got whiskey, wine and gin
We've got hot dogs, ain't got no skin, now

(Chorus)

We've got folks, black and brown

We've got everything, will you stick around
(Chorus)

When you get high, you want something sweet
We've got something that will knock you off your feet,
now

(Chorus)

Come up to my house, wanna have some fun
Bring your money gal, it is easy done

(Chorus)
