I'm gonna move way out on the outskirts of town
I'm gonna move way out on the outskirts of town
Now that's why I don't want nobody, ooh Lord baby
always hingin' around
I'm gonna tell you baby, we gonna move away from
here
I don't want no ice man, I'm gon' buy me a frigidaire
When I move way out on the outskirts of town
Now that's why I don't want nobody, ooh Lord baby
always hingin' around
I'm gon' bring my own groceries, bring them every day

That's gonna stop that grocery boy, I mean it keep him
away
When I move way out on the outskirts of town
Now that's why I don't want nobody, ooh Lord baby
always hingin' around
It may seem funny, funny as it can be
But if my wife havin' a baby, I want 'em all to look just
like me
We move way out on the outskirts of town
Now that's why I don't want nobody, ooh Lord baby
always hingin' around
