It was a dream, just a dream I had on my mind
It was a dream, just a dream I had on my mind
And when I woke up, baby, not a thing could I find

I dreamed I went out with an angel, and had a good
time
I dreamed I was satisfied, and nothin' to worry my
mind
But it was just a dream, just a dream I had on my mind
And when I woke up, baby, not an angel could I find

I dreamed I played policy and played the horses too
I dreamed I win so much money, I didn't know what to
do
But it was just a dream, just a dream I had on my mind
And when I woke up, baby, not a penny could I find
Play it man

I dreamed I was married, and started a family
I dreamed I had ten children, and they all looked just
like me
But that was a dream, just a dream I had on my mind
And when I woke up baby, not a child could I find
