Sometime I get disgusted, yeah, my mind goes up and  
down  
Yes, sometime I get disgusted, yeah, and my mind  
goes up and down  
Yeah, my woman has quit me, now my buddies hangin'  
around

This is a mean old world to live in, I'm just travelin'  
through  
It's a mean old world to live in, I'm just travelin' through  
Yes, sometime I get so blue, that I don't know what to  
do

I been up North, all over the Southern states  
Yes, I've been in the North, all over the Southern states  
Yes, people, it ain't the world, 'cause the good Lord  
made it straight, yeah

What's for poor me to do?  
Yeah, what's for poor me to do?  
Yeah, it sets my mother praying, I hope she prays for  
me not you
