Lord, I got a partnership woman, people, you know how
I feel
I got a partnership woman, people, you know how I feel
Lord, I'm gonna tell you, people, my buddy give me a
dirty deal

Lord, I left him in my home, thought he would be fair
and square
Lord, I left him in my home, thought he would be fair
and square
Lord, my woman put me out, but my partner still livin'
there

Now, if I ever, ever get lucky, Lord, and marry again
Now, if I ever, ever get lucky, Lord, and marry again
I'm gonna buy me a bulldog, 'cause the dog's the
man's best friend

Now, don't you never, never think your woman just
belongs to you
Now, don't you never think your woman just belongs to
you
Lord, if she's nice and sweet to you, she'll be sweet to
your partner, too
